The world lost a good man on Sept. 3, 2003 -- 21 years ago.

We lost our Dad. I lost my best friend.

We laughed together and we cried together and you gave us such great memories and stories. You were a great teacher and a great friend to all. I wish you were still here to talk to, to learn from, and to laugh with.

Thank you for all you gave us, all you did for us, for all your signs, and for all your love.

Love and miss you Dad... God Bless America! 2024
