Eileen and Hank spent their retirement years cruising and wintering in Myrtle Beach. Eileen was a passionate baker and was known for her cookie creations. She enjoyed volunteering at church and sending cards almost daily. After graduating from Pittsburgh Hospital, and later Duquesne University, she spent her years working as a nurse at the former Pittsburgh Hospital in the emergency department and spent her later years enjoying her roles in the long-term care field. One of her proudest accomplishments was to help in establishing one of the earliest hospice care programs. Professional Services by **THOMAS M. SMITH FUNERAL HOME & CREMATORY LTD.**, Blawnox
