

The Urban Redevelopment Authority of Pittsburgh (URA) is seeking proposals from a construction management and inspection firm (Firm) to oversee the Swisshelm Park Solar Remediation Project – Remediation and Site Grading – in the 14th Ward of the City of Pittsburgh (City) in Allegheny County, Pennsylvania, between interstate 376 (Parkway East) and Monongahela River.

- Issue Date

Monday, September 30, 2024

- Due Date

Wednesday, October 30, 2024

There will be a virtual pre-proposal meeting for the CMCI Contract through Zoom on Tuesday October 15th, 10:00AM-11:00AM. All

interested parties can reach out to Jack Decker

[jdecker@ura.org](mailto:jdecker@ura.org) for more information on the

pre-proposal/pre-bid

meetings. Proposals will be accepted no later than

2:00 PM prevailing time on

Wednesday, October 30,

2024. Bids will only be

accepted through IWT (Ion

Wave Technology).
