

KIMBERLY EDDY

December 13, 1965 - September 4, 2024

Dr. Kimberly Lou Eddy, passed away on September 4, 2024, peacefully, at home in Hercules, CA. She was 58 years old.

The youngest child of Edward Eddy and Patricia (Frye) Eddy, she grew up in the Pittsburgh, Pennsylvania suburb of Gibsonia and left the area in 2000 to move to Central California.

She earned a Doctor of Psychology degree and embarked on a distinguished career. She leaves behind scores of grateful patients.

To honor her memory, please consider contributing to charities that advance the prevention and cure of ovarian cancer, the humane treatment of animals, and the treatment of mental health issues.

Interment will be private. An online memorial will be planned for a later date.
