GLORIA L. DONATELLI

10-19-2022

My dearest Mom & Dad, 2 years and 29 years have passed, and I still have so much trouble dealing with both of your passings. Your children miss you both so much, the holes in our hearts will never close. I pray when it is my time to reunite with you both, the holes in my heart will close forever. Visit when you can.

Your Son, Anthony
