

Request for Proposals

The Trinity Area School District seeks proposals for internet access and data transmission services. The District intends to apply for discounts on the services listed in the RFP through the federal E-rate program. Several criteria and restrictions pertinent to the E-rate program are included within the proposal and must be met by the successful vendor in order for the proposal to be considered a Qualified Proposal. **Visit trinitypride.org or the USAC Portal to view the RFP.** The Owner will receive Proposals until **12:00 PM on Monday, November 18th, 2024**, via email at sshinsky@trinityhillers.net. Proposals received after this time will not be accepted.
