## BIDS

The Board of Education of the Pine-Richland School District will receive separate sealed proposals for Contract 24005.100: HVAC REPLACEMENTS AT WEXFORD ELEMENTARY SCHOOL, under multiple Prime Contracts. The School District is utilizing an Owner Controller Insurance Program (OCIP) for this project. Under this approach, Contractors and Subcontractors **must** remove the cost of Owner provided insurance from the Base Bid price. The lowest responsible bidder will be determined on a net of insurance basis. In other words, the Base Bid is to be identified by the Contractor excluding costs and expenses for General Liability, Umbrella/Excess Liability, Workers' Compensation, and Builder's Risk Insurance as delineated in the contract documents. Alternate Bids and Unit Prices are also to be set forth excluding cost for such insurance. The Owner will select which alternates it desires and will determine the low bidder based upon the bids without insurance being provided by the Contractor. Bids will be accepted no later than **10:30 AM WEDNESDAY, NOVEMBER 20, 2024**, at the Pine-Richland District Administration Offices, 702 Warrendale Road, Gibsonia, PA 15044-6040, c/o Barbara Williams, School Board Secretary. Bids shall be delivered in sealed envelopes clearly marked with company name and address, Contract being bid and indicating **HVAC Replacement WEXFORD Project**. Since there will be two separate projects bid on this day, the bids will be held and then opened publicly read aloud at **2:15 PM**. All interested parties are invited to attend. Prime Bidders may obtain one set of Bidding Documents as follows:
