The Pittsburgh Water and Sewer Authority (PWSA) is requesting bids for the verification and replacement as necessary, of residential public-side and / or private-side lead service lines at about 1,640 locations within the PWSA water service area. Work also includes site restoration of disturbed areas. PENNVEST funding requirements will apply to the project. Federally funded projects – This project is being federally funded by EPA financial assistance dollars and therefore requires all contractors to demonstrate compliance with federal Executive Orders 11625, 12138, and 12432 and EPA Regulations at 40 CFR Part 33, through the detailed documentation of solicitation of Disadvantage Business Enterprises (DBEs). Contractors must demonstrate the Six Good Faith Efforts to identify and solicit DBE firms that are potential sources for any procurement action in the areas of project construction, equipment, services, and supplies by including state qualified small businesses, and minority and women owned business enterprises in the bidding process.
