

PUBLIC NOTICE

Notice is hereby given that the GFL Environmental Services USA, Inc. Freedom, PA facility, located at 150 W. 4th Avenue, Freedom, PA intends to submit a Part B Renewal Application to the Pennsylvania Department of Environmental Protection (PADEP) Waste Management Division for its Solid Waste Permit No. PAD000797548 in November 2024. A permit renewal application is due once per permit cycle prior to the permit's 10-year issuance expiration. The application includes all of the required forms, figures, plans, and other components. This renewal application does not generate any new air emissions, no new wastes, does not affect any permit conditions, and does not result in any change in method of operation at the facility. GFL's Part B permit allows the facility to store customer-generated non-hazardous and hazardous wastes. The host municipality and county may submit comments to PADEP within 60 days of receipt of the application. If you have any questions regarding this application or require any further information, please contact Mr. Robert Martel, Waste Program, PADEP, Southwest Regional Office, 400 Waterfront Drive, Pittsburgh, PA 15222 at 412-442-4083 or the facility's representative Brian Hillier at (346) 603-1849.
