

LINDA M. (KALEMON) SEKELY, ESQ.

6/3/1959 - 10/17/2024

Linda Kalemon Sekely, 65, born and raised in Zelienople and residing in Gibsonia/Pittsburgh, transitioned to heaven on October 17, 2024, after a short and courageous battle with pancreatic cancer. Linda is the daughter of the late Helen and Paul Kalemon and the mother to the late Adrik Sekely. Linda leaves behind her heartbroken husband of 37 years, Thomas Sekely. In addition to Thom, Linda had a large circle of

friends, many "adopted nieces and nephews", cousins, in-laws from the Sekely family and many business associates/clients who she met during her professional career.

Linda was a graduate of Duquesne University School of Business and continued her education at the University of Pittsburgh School of Law. Linda has been practicing law since graduation from law school in 1984 and eventually started her own business in Family Estate Law, which she oversaw for the past 25 years. Linda was also a Radio Show host and co-hosted Exit Stage Right which aired on many Pittsburgh radio stations.

Linda lived life large with a zest for laughter and was hysterically funny. She traveled the world and embraced life as an adventure. Linda also loved music and sang beautifully.

Linda was also a kidney recipient and asks others to consider the gift of life that had been given so generously to her through organ donation. Linda requests that all who knew her remember the love of life that she had.

A Memorial Service will be held on Monday, October 28, 2024, at 11:00 a.m. at **KING FUNERAL HOME AND CREMATION SERVICES, INC.**, 2841 Woodland Circle in Allison Park, PA 15101.
