

SOL W. TODER

Born in Canonsburg, on October 7, 1931, to the late Sam and Sadie Toder. Sol loved traveling, opera, good food, playing poker, intellectual conversations about politics and good jokes, but most of all, his family. His dedication and love for his wife, Lin, spanning over 70 years was remarkable and admired by countless people throughout their lives together. He was very close to his loving daughters, Dr. Debbie Toder (Larry Reinhold), Etta Menlo (Mike) and the late Nan Toder (1996); and a very special niece, Marcia Toder. His adoration for his grandchildren, Dr. Ben Reinhold (Sarah), Yael Reinhold, Maya Menlo (Johanna Phillips) and Noah Menlo (Sienna Rogers) was unlimited, and he delighted in their love and accomplishments. The gift of his three great-grandchildren was the crowning joy of his life. He is also survived by many beloved family members. Sol had an amazing moral compass, a wonderful example to all who knew him. Services were held privately. Arrangements entrusted to **WILLIAM SLATER II FUNERAL SERVICE**, Scott Twp., 412-563-2800. Donations may be made to Doctors Without Borders, www.doctorswithoutborders.org.
