

Poem In Titles Of "Animals"

And he was **"Dog"** ging
her around
But she refused to be
out **"Fox"** ed
So she stayed as cool
as a **"Kitten"**

For in her own house she
would not be boxed

Well the time had come to
confront him

Though she knew he'd be
"Lion" about it

But before he could **"Duck"**
out of sight

She approached him
starting to shout it

Why you no good
two timing **"Cheetah"**

To tell you off how I've been
waiting

And did you think I
wouldn't **"Deer"**

To talk about that **"Dodo"**
you been dating

Well your friends all
"Rat"-ted on you

And your bimbo ran like a
"Bat" out of hell

But to tell you very
honestly speaking

You've always been a
"Boar" as well
