Each Contract involves sanitary sewer repairs including but not limited to: sanitary sewer full length manhole to manhole lining CIPP repairs; spot lining CIPP repairs; pre and post CCTV inspections; internal reinstatement of active service laterals; cutting of protruding taps; internal rehabilitation of sanitary sewer manholes; location and adjustment of buried sanitary sewer manholes; installation of manholes; traffic control; resident and business notification; and site restoration, complete in place. All traffic control and restoration of disturbed areas are also included in this project. There will be a

Mandatory Pre-Bid Meeting on Tuesday, November 26, 2024, at 10:30 a.m. prevailing time at the Township Building located at 300 Wetzel Road, Glenshaw, PA 15116. Contractors who intend to bid **MUST** attend for their bids to be considered as **responsive**. Attendance for the purposes of this Paragraph shall mean being **present** for the entirety of the Meeting. Signing the Register at the beginning of the Meeting and leaving immediately thereafter will **not** constitute attendance. Proposals shall be delivered in a sealed envelope that is clearly marked on the outside with the appropriate wording 2024/2025 Shaler O&M Repairs Project. All proposals must be in the hands of Chris Lovato, Township Manager, before 10:30 a.m. prevailing time on Tuesday, December 17, 2024 and the same will be publicly opened and read at that time at the Township Building, located at 300 Wetzel Road, Glenshaw, PA 15116. **The project will be funded through PENNVEST and additional grant opportunities. Davis Bacon or PA Prevailing Wage Rates will be required to be paid on this contract depending on the funding type utilized. Sewer Lining and Plumbing Contractors are encouraged to bid on this work.**

Bidders shall note that the project is using State Revolving Fund (SRF) Grant funding, and that DBE Solicitation is required. The American Iron and Steel Act (AIAS) and Build American, Buy America Act (BABA) are requirements of the SRF grant funding. By signing payment application and recommending payment, Contractor certifies they have reviewed documentation for all products and materials submitted for payment, and the certifications are sufficient to demonstrate compliance with Build America, Buy America Act requirements. The Prime Contractor for the project must comply with the Six Good Faith Efforts. The Prime Contractor must also use DGS to obtain subcontractors, rentals, and suppliers. Questions must be directed to the Project Manager, Adam W. Gephart, at 412-921-4030 or by email at agephart@gatewayengineers.com. All plans, specifications, and other documents related to this solicitation are available at no cost on the PennBid site (www.PennBid.net).

Proposals to receive consideration must be accompanied by a Certified Check or Bidder's Bond from a Surety Company authorized to do business in Pennsylvania, made to the order of Shaler Township in an amount equal to ten percent (10%) of the total amount of the Proposal as a guarantee that, if the Proposal is accepted, the successful Bidder will enter into an Agreement within fifteen (15) days after Notice of the Award of the Contract. The Proposals must be made to Shaler Township, Allegheny County, Pennsylvania, and shall remain firm for a period of one hundred twenty (120) days. No Bidder may withdraw his Proposal during the one hundred twenty (120) day period without forfeiting his Bid guarantee. Performance, Maintenance, and Labor and Material Payment Bonds, along with Public Liability and Property Damage Certificates of Insurance in the amounts specified, as well as Certificates of Workman's Compensation must be filed with the executed Agreement upon acceptance of the Proposal from the successful Bidder. The Township reserves the right to reject any or all Bids, or any part thereof, for any reason, and also reserves the right to waive any informality therein. The Bidder is advised that the Township will award each contract to the lowest responsible bidder based on the total bid submitted for that Contract. However, the bidder is advised that the Township expressly reserves the right to reject all bids, and specifically reserves the right to award each Contract to the lowest responsible bidder for all or any portions of the work listed in the proposal, and in awarding a contract for less than the total work listed, or less than all portions of the work listed, the contract price will be determined from the total quantities for each item listed and the unit price bid for each item listed.
