

BIANCA BUCCIGROSSI

Age 31, of Pittsburgh, PA, passed away on October 30, 2024. Bianca attended undergrad at Ohio University for exercise physiology and later returned to nursing school at Shady Side to pursue her love for helping others, a calling that she embodied throughout her life.

Bianca was so much more than her cancer diagnosis. She was a beloved daughter, devoted sister, and loyal friend, bringing light and

laughter to everyone she met. With her sharp wit and infectious humor, Bianca lived life with boundless energy and curiosity, and was always planning her next big adventure (if you've ever had the opportunity to travel with Bianca, you know what we mean here).

To know Bianca was to know someone kind, compassionate, and fiercely supportive. She had a heart as big as her spirit, lifting up those around her even in the face of unimaginable challenges.

Bianca is survived by her devoted parents, Nancy and Dominic; her cherished sisters, Dominique and Desirae; and her beloved dog, Beau. While we mourn her loss, we take comfort knowing she is no longer suffering and is at peace.

Bianca treasured her family and friends above all else. In keeping with her spirit, we invite you to share your memories of her - whether it's how you met, a favorite moment, or how she touched your life. A box will be available at the viewing for those who wish to contribute (please write in advance).

Bianca's battle with triple-negative breast cancer was a part of her life's final chapter, but she remained deeply committed to helping others facing the same diagnosis. She understood the toll this disease takes - not only on the body but on the mind and soul. Bianca's wish was for other women fighting this battle to have the support and resources they need. In lieu of flowers, her family requests donations to the Triple Negative Breast Cancer Foundation, which works to support those with triple-negative breast cancer. Bianca may no longer be with us, but her legacy of compassion and hope will live on.

Link to JustGiving to donate to the TNBC Foundation:
