

ROBERT STEVENSON

Age 95, of Stowe Township, Bob passed away peacefully on Tuesday, October 15, 2024. Beloved husband of 65 years to the late Jessica A. (Adamski) Stevenson. Son of the late Joseph and Emmaline Stevenson, Bob was preceded in death by his brother, Joseph Stevenson; and his sister, Jane Artinger. Loving father of Donna (the late Rik) Mirth, Robert J. Stevenson II, Gail (Chris) Zuppo, William E. (Marcia)

Stevenson, and the late Richard Stevenson; also survived by 14 grandchildren and 11 great-grandchildren.

An avid reader and history buff, Bob's life was marked by many interests and activities. He was a Navy veteran (1948-1952) and, notably, a member of the first jet squadron on the east coast.

When his children were young, he was a Scoutmaster and a Little League coach. Later, he was a bowler, a babysitter for his grandchildren, a (sometime) traveler on his wife, Jessie's Nurses' Alumni trips.

For Christmas and Halloween, he loved to fill his yard with holiday decorations, especially enjoying visits from trick-or-treaters who never failed to appreciate his yard decorations (which he frequently prepared a month in advance) or his excellent selection of Halloween candy.

Bob always enjoyed meeting people and sharing stories. While diminished hearing and eyesight curtailed his activities in the last year or two of his life, he never stopped enjoying listening to Big Band music and rooting for the Pittsburgh Steelers. Bob was much loved by his family and will be missed. May he rest in peace.

Relatives and friends received Saturday, November 9, 2024, from 11 AM until time of Service at 12 PM at **McDERMOTT FUNERAL HOME**, 334 Forest Grove Road, Coraopolis (Kennedy Township), PA 15108.
