

DARLA DAE DELESTIENNE

1946-2024

Darla Dae Delestienne, age 77.

Darla will be remembered for her generosity and kindness to others.

She was born in North Charleroi, PA, in 1946, to parents, Emile George and Una Irene Delestienne (nee Day). Darla was a graduate of Bethel Park High School, Tarkio College with degrees in English Literature and Drama, as well as Community College of Allegheny County, with a degree as a Health Information Technician. Darla had a lengthy career as a Medical Records coder for Jefferson Hospital, Jefferson Hills, PA.

Darla really enjoyed her time at Tarkio College where, among other things in the 60s, the students helped convert an Octagonal Mule Barn into a "theater in the round." There were apparently many happy times in that barn. Darla enjoyed foreign travel, including Greece, Egypt, Peru, Ecuador, and the Galapagos Islands. Darla also had a green thumb and spent many happy hours in the yard, and filled her house home with house plants.

Darla was preceded in death by parents, Emile George and Una Irene Delestienne; and her brother, Emile Dale Delestienne. Surviving siblings, Duane Delestienne, Jefferson Wisconsin and Douglas Delestienne, Atglen, PA.

Darla did not want a funeral service.
