

# *? Wherefore Art Thou Romeo ?*

**She searched & searched  
& searched  
For a love nowhere  
to be found  
And all she asks is for  
someone to care  
And to build a new  
life around**

**And could there be such  
a person  
That exists somewhere today  
And she'd give anything in  
the world to know  
Because there's just got to  
be a better way**
