

Poem In Titles Of "Poker"

I will give it to you **"Straight"**
I am tired of
"Dealing With You"
So I'm **"Cashing In My Chips"**
And **"Bidding"** you adieu

Yes you've always been
my **"Queen"**
But this **"King"** has
had enough
Of you **"Jack"** ing me around
And all that other stuff

Though we were never
"Two Of A Kind"
No one here is to blame
But this **"Joker"** is moving on
To another kind of **"Game"**
