

# Poem In Titles Of "Cars"

Miss Jessica Ansel **"Bentley"**  
Just couldn't anymore  
af-**"Ford"**

The ever so constant rising  
Cost of room & board

And although she tried to  
**"Dodge"** it  
It was just impossible  
to achieve

Not to mention the  
infestation of **"Beetles"**  
Who had begun the  
apartment siege

But landlord Mr. **"Maserati"**  
Held his ground on raising  
the rent

And who **"Audi"** be  
ashamed of himself  
In not considering the years  
they spent
