

Poem In Titles Of "Champagne"

She **"Sparkles"** just like
a **"Fizz"**

All **"Bottled Up"** with love
And with just one **"Taste"**
I tell you

You'll be soaring like a dove

And you'll be **"Drunk"** with
her appeal

Just **"Thirsting"** for more
and more

And you'll go for

"Another Round"

Because of her

"Bubbling" and

"Overflowing" lure

A **"Hangover"** you'll surely
welcome

And the memory you'll
be saving

And you'll know for the rest
of your life

Another **"Sip"** of her love
you'll be craving
