

Poem In Titles Of "Jail"

Their marriage was
"On The Rocks"

Almost like they were both
"Confined"

To a place with **"No Escape"**
As divorce would never
cross their mind

"Incarcerated" they surely were
Just sitting there **"Doing Time"**
And like **"Prisoners"** in a way
Where happiness is hard to find

"Sentenced" indeed it seems
And **"Convicted"** of a
terrible mistake
Of tying the knot too soon
And living a life of fake
