

GERALD "BOB" R. WENTROBLE

Of Level Green, age 79, died on Thanksgiving Day, Thursday, November 28, 2024.

Beloved husband of Carol (McClelland) Wentroble for 60 wonderful years.

Cherished father of Robert, Daniel (Jennifer) and Terry Wentroble, all of Level Green.

Loving grandfather of Luke and Olivia Wentroble.

Dear uncle of Tim and Kim Wentroble, John and Billy Hubbs, and Jeff Wentroble.

Bob was preceded in death by his parents. Born to Joseph and Vera (Schultz) Wentroble; and his five siblings, Gladys Hubbs, Vera Babeo, Joseph Wentroble, William Wentroble, and Joyce Wentroble.

Bob was a proud graduate of Turtle Creek High School, class of '63. He worked at Westinghouse, where he served as both a union president and a contract negotiator. Before taking on these leadership roles, he honed his skills as a diligent welder. Bob was an avid outdoorsman. He enjoyed hunting and fishing at his camp in Kane, PA. His love for sports was unparalleled, especially when it came to cheering on the Steelers, Pirates, and Penguins. However, it was the Notre Dame football team that captured his heart above all else. Known affectionately as the "Mayor of the Tailgate," Bob's presence was a fixture at Notre Dame games, and he traveled extensively to support his favorite team, from the shores of Ireland to the islands of Hawaii, and across the United States.

There will be no visitation or service.
