

The Greatest Christmas Gift (That Could Ever Be)

To free the world of hatred
To free the world of pain
To free the world of greed
And evilness just the same

To free the world of bias
Towards lesbian, gay
and the like
To free the world of parting
And all then to re-unite

And to free the world
of everything
Having to do with hate
And in that process to never
Ever pro-cras-tinate
