

LINDA MAE (MARASCO) BAJURA

Linda Mae (Marasco) Bajura, 77, died peacefully on December 20, 2024, in Durham, NC, after a short but devastating bout with cancer. Born in McKeesport, PA, to Helen and Joseph Marasco, Linda spent most of her life in West Mifflin, PA. She is survived by her son Keith, sister Denise, brothers Ronald and Craig, and was preceded in death by her husband James Bajura. In her later years, she enjoyed using her

computer, chatting with friends online, and playing with her cat, Princess. Until her final days, she remained independent and kept her house as immaculate as she was known to do throughout her life. The family would like to express sincere gratitude to the hospice staff at Hock Family Pavilion who made Linda's final days comfortable and pain-free.
