

GERALDINE CATHERINE (TOTH) WALKOWSKI

We are saddened to share the news of the passing of our beloved Geraldine Catherine (Toth) Walkowski, age 85. Gerry passed away at home, from a rare blood cancer, on December 17, 2024, surrounded by her loving family.

She is survived by her husband of 61 years, Edward; her two daughters, Di (Lori) and Karen (Bill); her sisters, Pauline and Betty Ann; and her brother, John.

After growing up in Johnstown, PA, Gerry went to St. Francis School of Nursing, where after graduating as a Registered Nurse, she worked in pediatrics. Gerry and her family settled in the Brookline section of the city of Pittsburgh, where she enjoyed daily walks around the neighborhood. It is on these walks that she developed long lasting friendships with neighbors and canines alike. Gerry was a gifted quilter, who enjoyed sharing her beautiful works of art with others. She also enjoyed her time in nature. She cultivated beautiful flower gardens, enjoyed riding her pink bike on the Panhandle Trail and sitting on the back deck watching the birds or reading. Gerry also enjoyed spending time with those she loved, including the many kitties she adopted throughout her life.

No funeral service or memorial will be held per Gerry's wishes but in celebration of her life, her family asks that others live life as Gerry did, by caring for others and enjoying time together. If so desired, family and friends are encouraged to donate in Gerry's name to a charity of their choice. Arrangements entrusted to **BALL FUNERAL CHAPEL, INC.**
