Barbara was an incredibly dedicated volunteer throughout her life. She generously gave her time at Sacred Heart Roman Catholic Church, ran a reading program from her home, and served as a hospice volunteer. In addition to her community work, she was a Brownie troop leader, a Regency aide, and a swim booster/assistant. Barbara was also a devoted wife, mother, and grandmother, who cherished spending time with her grandchildren. Barbara's passion extended beyond volunteering-she was also an avid Steelers fan, and passed away on the 51st anniversary of her attendance at the immaculate reception, proudly supporting her team.

In lieu of flowers, family suggests memorial contributions to be made to Hope Hospice, 3356 Babcock Boulevard, Pittsburgh, PA 15237.
