

# NOTICE OF TOWNSHIP OF ROSS MS4 POLLUTANT REDUCTION PLAN

Ross Township will accept comments from the public beginning on January 28, 2025 and extending through February 28, 2025 associated with the Township's Pollutant Reduction Plan rewrite as required by the Pennsylvania Department of Environmental Protection as a component of the Township's PAG-13 National Pollutant Discharge Elimination System General Permit (NPDES Permit No. PAG136221) for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems (MS4s). The Pollutant Reduction Plan rewrite outlines in general terms the Township's revised 5-year plan to be implemented between 2025 and 2030 to reduce sediment loadings and nutrient loadings from its MS4 stormwater discharges into multiple streams and their tributaries. The Pollutant Reduction Plan rewrite will be available for public review Monday through Friday between the hours of 8:00 AM to 4:00 PM at the Ross Township Municipal Office located at 1000 Ross Municipal Drive Pittsburgh, PA 15237. The Pollutant Reduction Plan rewrite is also available for public review on the Township's website [www.ross.pa.us](http://www.ross.pa.us). Comments may be provided in writing and delivered in person or via e-mail or regular mail and addressed to the Ross Township Commissioners, Attn: Ron Borczyk, Township Manager. The Township will accept comments from any interested member of the public at the regularly scheduled meeting on March 3, 2025 at 7:00 PM.
