

DR. CARL MEDGAUS

January 31, 1948 - January 15, 2025

Age 76, of Pittsburgh, PA, son of the late Morris and Jeannette Medgaus, passed away on January 15, 2025, leaving behind a legacy of passion, determination and excellence that will forever inspire all who knew him.

Born on January 31, 1948, Carl lived a vibrant life filled with love and purpose. A brilliant dentist with an extraordinary 51-year career, he was not only a dedicated professional but also an

innovator in his field. He founded and developed the groundbreaking full-arch dental procedure, Stabili-Teeth, revolutionizing the lives of countless patients. A true gift to his profession, Carl's impact reached far beyond the dental chair.

Outside of work, Carl's zest for life was unmatched. An avid guitar player, he found joy in music and shared that passion with those around him. In the kitchen, he transformed into an unofficial chef, delighting family and friends with meals crafted from love and creativity.

Yet, as accomplished as he was in his career and hobbies, Carl's greatest pride and joy were his children. They were not just his family but his best friends and most cherished companions. Carl's love for his children and granddaughter was boundless and his role as a father was his most treasured accomplishment.

Known for his youthful spirit and heart, Carl defied age in every sense. At 76, not a gray hair adorned his head—an outward reflection of the vibrant energy he carried through life. He was the centrifugal force of his family, the center of their world. His loss leaves an indelible mark on the lives of those who loved him most.

Carl is survived by his beloved wife, Norma J. Medgaus; his devoted children, Bari Medgaus, Melanie Medgaus, Connor Medgaus, Alexa Medgaus and Nathan Medgaus; and his adored granddaughter, Jayda Medgaus; as well as his sister, Beverly Jones; brother, Daniel Medgaus; and special nieces and nephews. His memory will live on in their hearts and in the countless lives he touched with his kindness, wisdom and vision.

Carl's life was a testament to living fully, loving deeply and leaving the world better than he found it. While his physical presence will be deeply missed, his spirit and legacy will remain forever in the hearts of those who knew and loved him.
