

REQUEST FOR PROPOSALS (RFP) COLLIER TOWNSHIP UPDATE THE CAPITAL IMPROVEMENTS PLAN OF THE TRAFFIC IMPACT FEE PROGRAM

The Township of Collier, Allegheny County, Pennsylvania is requesting proposals from qualified consultants with experience in traffic engineering to undertake the update of the 2016 Traffic Impact Capital Improvements Plan.

The update shall include:

- Revised cost estimates for all uncompleted improvement projects included in the current Impact Fee Program to reflect current year (2025) construction costs and update the appropriate areas of each projects summary sheet. The 2016 update includes 17 uncompleted projects.
- Revise and/or eliminate any undesired current projects and incorporate any new Impact Fee Projects with respective construction costs.
- Update the Impact Fee formula.
- Review and update the CIP summary document.
- Produce five (5) bound copies as well as an electronic PDF file of the final report.
- Attend four (4) meetings which include three (3) meetings with the Advisory Committee and one required public hearing.

Seven (7) copies of the sealed proposal clearly labeled Traffic Impact Capital Improvements Plan Update must be received by the Collier Township Zoning Officer no later than 3:00 P.M. prevailing time on March 3, 2025. The proposal should be delivered or mailed to:
