

DONALD PATRICK SNYDER

Donald Patrick Snyder, age 70, passed away on January 4, 2025, with family by his side.

Don lived life to the fullest, always chasing adventure with a fierce spirit and a big heart. Born and raised in Pittsburgh, he was a man of many talents: a gifted mechanic, a skilled pilot, and a jack-of-all-trades who could fix or build just about anything. As an owner of Snyder Brothers Automotive,

Don built more than just a business, he built lasting relationships with his community through his honesty, hard work, and generosity.

He was deeply involved in his church community, where his faith and commitment to helping others shone through. Donnie's larger-than-life personality made him unforgettable. He could light up a room with his laugh, inspire with his determination, and lend a hand when it was needed most.

Donald is survived by his children, Rhiannon, Natalie, and Tristan; his brothers, Earl Snyder, Jr. and Ronald Snyder. He was preceded in death by his parents, Earl and Elizabeth "Betty" Snyder, and his brother, Thomas Snyder, Sr.

He will be remembered as a devoted father, a loving brother, and a great friend. His no-nonsense demeanor, quiet strength, and unwavering work ethic leave behind a legacy that will be remembered by all who knew him.

A service to honor Donald's life will be held on Saturday, February 1, 2025, at 11:00 AM at Champion Christian Center, 1200 Donnan Ave, Washington, PA, 15301.
