

Current Hydro LLC, acting as agent for the CW Bill Young Hydropower Group, Inc. and Allegheny Hydro Group Lock and Dam 4, Inc. (Applicants), in compliance with the requirements of the Federal Energy Regulatory Commission (FERC) hereby gives notice to the public and interested parties that a combined joint meeting will be held on February 13, 2025 regarding the CW Bill Young Lock and Dam Hydropower Project (Project [FERC Project No. 15262]) to be located on the Allegheny River at river mile 14.5 in Allegheny County, Pennsylvania, and the Allegheny Lock and Dam 4 Hydropower Project (Project [FERC Project No. 15267]) to be located on the Allegheny River at river mile 24.2 in Natrona, Harrison Township, Allegheny County, Pennsylvania (PA) and in Braeburn, the City of Lower Burrell, Westmoreland County, PA. The upcoming combined joint meeting marks the beginning of pre-filing consultation for these Projects. Pursuant to the requirements set forth by 18 CFR 4.38 (g)(1), the following information must be made public:

a. Purpose of the Meeting: To explain the Applicants' Project proposals and environmental impacts, including discussion of the Proposed Study Plans and the results of environmental studies completed to date, and to solicit feedback from Agencies, Federally listed tribes, and members of the public.

b. Location: SpringHill Suites Pittsburgh Mills, 3015 Pittsburgh Mills Blvd, Tarentum, PA 15084.

c. Timing: 10:00 – 11:30 AM EST, Thursday, February 13, 2025.

d. Availability of Information: The Projects' Pre-Application Documents, Notices of Intent, and Proposed Study Plans can be downloaded at currenthydro.com/allegheny3 and currenthydro.com/allegheny4.
