

American Eagle Outfitters, headquartered in Pittsburgh, PA, seeks a Senior Data Engineer-Customer Data. This is a hybrid office-based/work-from-home position within the United States. The employee can work remotely from within the United States but must be able to work in the Pittsburgh office at least one (1) day per week. Will serve as a lead for an offshore development team and support the delivery of personalization solutions through the collection, processing, and management of customer data. Apply at <https://aeo.jobs> with cover letter, resume, and salary requirements.
