Pittsburgh Water is requesting bids for Construction Management and Construction Inspection (CM/CI) services for the 2025 Neighborhood LSLR – Contract A Project which includes the verification of service line materials, replacement of lead service lines and restoration of disturbed areas. PENNVEST funding requirements will apply to the project. Federally funded projects – This project is being federally funded by EPA financial assistance dollars and therefore requires all contractors to demonstrate compliance with federal Executive Orders 11625, 12138, and 12432 and EPA Regulations at 40 CFR Part 33, through the detailed documentation of solicitation of Disadvantage Business Enterprises (DBEs). Contractors must demonstrate the Six Good Faith Efforts to identify and solicit DBE firms that are potential sources for any procurement action in the areas of project construction, equipment, services, and supplies by including state qualified small businesses, and minority and women owned business enterprises in the bidding process.
