

**SQUIRREL HILL  
INTERCHANGE  
IMPROVEMENT PROJECT  
NOTICE OF PUBLIC  
MEETING**

The Pennsylvania Department of Transportation (PennDOT), in cooperation with the Federal Highway Administration (FHWA), will host a public meeting for the Squirrel Hill Interchange Improvement Project on Thursday, February 20, from 5:00 PM to 7:00 PM at Greenfield Elementary School (1 Alger St., Pittsburgh, PA 15207) to introduce the project and answer questions from the community.

The SR 376, Section A76 Squirrel Hill Interchange Improvement Project is located in the City of Pittsburgh, Allegheny County, Pennsylvania. The project begins on the Parkway East (I-376) just west of the Greenfield Bridge overpass and continues eastward to the entrance to the Squirrel Hill Tunnel. The scope of work includes the redesign of the Squirrel Hill Interchange and improvements to Forward Avenue south of Murray Avenue, and Beechwood Boulevard from Ronald Street to Monitor Street. Capacity improvements to the Squirrel Hill Tunnel are not included in the project. The project will include the rehabilitation of the I-376 travel lanes, realignment and reconfiguration of all ramps within the Squirrel Hill Interchange, and new construction of bridges and retaining walls. The reconfiguration and rehabilitation of Beechwood Boulevard, Forward Avenue, and Monitor Street will include improvements to intersection safety and operations by adding traffic signals and a roundabout, considering all roadway users by upgrading sidewalks, bicycle facilities, and transit stops.
