

**NOTICE OF PUBLIC COMMENT PERIOD AND PUBLIC MEETINGS**

The Southwestern Pennsylvania Commission (SPC) is seeking input from the public on the following draft documents during the public comment period which begins Monday, March 3 and lasts until Wednesday, April 16, 2025:

**2025-2030 Public Participation Plan**

Beginning March 3 2025, the draft document will be available for the public's review at [www.spcregion.org](http://www.spcregion.org). The Public Participation Plan provides an outline of the tools and techniques the SPC uses to inform and engage the public throughout the transportation planning and programming processes. The plan must comply with federal participation plan regulations and guidelines for metropolitan transportation planning and programs. This guidance helps to ensure that our Public Participation Plan provides opportunities and access for all individuals to provide RESPOND HERE! input on key transportation planning, policy and investment decisions. The document can be referenced at any time by the public and other planning agencies. The Public Participation Plan explains SPC's methods for sharing information, and identifying opportunities to provide input. Activities outlined in this Public Participation Plan are also coordinated with statewide transportation planning and participation efforts (Statewide Public Participation Plan). The effectiveness of the Public Participation Plan is regularly evaluated. When necessary, the plan is updated, made available for public comment, and adopted. To obtain a draft copy of the 2025-2030 Public Participation Plan, please contact Ronda Craig, Public Involvement Coordinator, (412) 391-5590 ext. 0372 or [rccraig@spcregion.org](mailto:rccraig@spcregion.org). Comments can also be submitted several ways: email at [comments@spcregion.org](mailto:comments@spcregion.org), or an intake form at: <https://www.spcregion.org/PPP2025>
