

BARRY JONES TAYLOR

Barry Jones Taylor beloved son of Robyn E Taylor and the late Malcolm G Taylor, arrived on planet earth June 9, 1991 full of life, energy and joy! We always said he never met an activity he didn't like... from youth sports (his favorite was soccer), Boy Scouts, skateboarding, snowboarding, bicycling, photography, woodworking, scuba diving, fishing, and of course, motorcycles. Barry was born and raised in

Pittsburgh, Pennsylvania but made his way to Florida in his early twenties. While he grew up attending church regularly with his family he began to fully own his beliefs when he met the Disciple Christian Motorcycle Club (DCMC). Barry would excitedly call home to tell of the opportunities God provided him to share the love of Christ Jesus, our Lord and Savior.

Our hearts are broken because his time with us has been short but grateful for the 33 years we spent with him on this journey.

In addition to his mother, Barry is survived by his sisters Angelea E Taylor (Pittsburgh, PA), Michelle J Lambert (Newark, DE) and brother Mark A Taylor (Jenny) of Eureka, CA. He will also be mourned by his many aunts, uncles, cousins, nieces, nephew, and his Florida family, Justin, Erin and Aislyn Green, DCMC, Raven Avalos, and many others.

He is at peace and resting with his Dad, grandmas and many who went before...

Please join us in celebrating his life: Saturday, March 15, 2025, at 10:00 AM, Allegheny Center Alliance Chapel, 250 East Ohio St., Pittsburgh, PA 15212.

In lieu of flowers, the family suggests memorial donations to: Disciple Christian Motorcycle Club, Clermont, Florida or Allegheny Center Alliance Church.
