

JAMES R. MADIA

December 16, 1947- February 14, 2025

Jim was a great guy: funny, smart, quirky and loving to his family and friends. Jim suffered from his own private demons in later years that made it hard for him to make decisions or accept change. Jim was a Navy Vet and a proud graduate of Carnegie Mellon University with a degree in Chemical Engineering. Jim leaves behind a sister, Rosemary McLaughlin (Bill); and four nieces and nephews: Molly

Wetmore (Ryan), Sarah Madia, Barry McLaughlin (Jade) and Luke Madia (Amy). Jim also had five much loved great-nieces and nephews. Florida was Jim's home for the past 20 years and he had many dear friends there, who helped him through a number of health crises in the last months of his life. He was preceded in death by his parents, Frank and Mary Madia; and his younger brother, Frank Madia. May Jim rest in the peace that eluded him in this life.
