

MARC W. RESNICK

Marc W. Resnick passed away on February 2, 2025, having suffered from extended health issues. A long-term resident of Henderson, NV, Marc was also a Pittsburgher deep at heart. He graduated from Mt. Lebanon High School and earned a degree in Business Administration from Penn State University. Marc loved working for the Green Valley Ranch Casino in Henderson, was a fantastic bowler, and a

passionate sports fan of particularly the Nittany Lions and Steelers. He traveled extensively through the National Parks and connected in particular to the majestic spirit of Yellowstone. With a camera at his side, he captured these experiences in beautiful photographs and very much enjoyed guiding visitors to some of his most favorite natural landmarks. Marc's kindness and sincerity and profound sense of humility were inspirational and a legacy greatly appreciated by his entire family and circle of friends who miss him deeply. Marc is survived by his younger brother and sister, his nephews and their families, his mother, Annette Resnick, and his wonderful dog, Cube.
