

MARSHALL GLENN HARMON

Marshall Glenn Harmon, beloved husband, father, grandfather, uncle, and friend, passed away on January 23, 2025, at the age of 79. Born and raised in Natrona Heights, Glenn enlisted in the Marine Corps at the age of 17. After completing basic training at Parris Island, he bravely served two tours in Vietnam. Upon returning home, he began his career at Allegheny Ludlum Steel Co., rising from mail clerk to

metallurgist.

Despite the challenges of a demanding work schedule, Glenn earned a degree in physical science from the University of Pittsburgh, attending night classes while balancing work and family responsibilities.

Glenn went on to have a remarkable career at R.J. Lee Group, where he retired after 25 years as Vice President of Business Development. His dedication to his work, leadership, and innovative thinking left an indelible mark on the company and its success.

Glenn's life was defined by resilience in the face of adversity. In 1977, facing the toll of alcoholism, he sought help after being given an ultimatum at work. Glenn had his last drink on March 14, 1977. He became a source of hope, strength, and encouragement to countless individuals on their own paths to recovery.

Glenn found new strength and purpose when he married Ethel Taube. Together, they raised four wonderful children, Dmitry, Sasha, Rena (Sam Oshlag), and Shimon. Glenn is survived by three cherished grandchildren, Meir, Coby, and Remi Oshlag. He is also survived by Daniel, his son from his first marriage.

His resilience, compassion, and love will continue to inspire all who knew him, and his memory will forever be a beacon of strength and hope.
