

T-Mobile USA is proposing to modify an existing wireless telecommunications facility on an existing building located at 3955 Bigelow Blvd, Pittsburgh, Allegheny County, Pennsylvania 15213. The modifications will consist of the collocation of antennas at a centerline height of approximately 121 feet on the approximately 124-foot building. Any interested party wishing to submit comments regarding the potential effects the proposed facility may have on any historic property may do so by sending comments to: Project 040097-PR, EBI Consulting, 21 B Street, Burlington, MA 01803, or at (617) 715-1822.
