Bid Due Date: April 10, 2025 at
2:00 p.m.

Pittsburgh Water is requesting bids for the rehabilitation of large diameter sewers. The project will include the spray on lining of approximately 770-feet of existing 60-inch diameter brick sewer and the point repair of approximately 250-feet of 72-inch clay tile sewer. The site is located adjacent to Corliss Street within the Buncher property in the Sheraden neighborhood of the City of Pittsburgh.
