

BEVERLY BAMETZRIEDER

August 15, 1946 - March 6, 2025

Beverly R. Bametzrieder, age 78, formerly from Pittsburgh, PA, passed away unexpectedly at her home on March 6, 2025. She was born in Pittsburgh, PA, on August 15, 1946, to the late Frank and Rose (Euseppi) Celender. Capturing the essence of a life that left an indelible mark on the world is a challenge in just a few words. Her proudest accomplishments were being a beautiful, loving and GREAT wife, mother and grandmother. She loved all animals, especially dogs, which were her constant companions. She also enjoyed feeding birds, working and planting in her yard, as well as going to the beach. That is one of the reasons she and Tom moved to North Myrtle Beach. Beverly enjoyed cooking and was known for making the world's best fudge. She was a devoted Nurse for 45 years, helping patients at both Allegheny General Hospital and St. Clair Hospital. She retired in 2015. Beverly is survived by her high school sweetheart and best friend, her husband of 58 years Tom or as she liked to call him, Pappy; sons Tommy and his wife Jennifer, of Pittsburgh, PA, Matthew and his wife Michelle of Myrtle Beach, SC; grandchildren, Tommy, Joshua, Max, Madalyn, and Mikey; her loyal companion who seems lost without her, her dog Leo. She is preceded in death by several constant companions, her dogs Jesse, Alex, ROCKY. Her memory will linger warmly in the hearts of all who had the privilege of knowing her. She will be greatly missed. **GOLDFINCH FUNERAL HOME, BEACH CHAPEL**, is assisting the family.
