/accessories, connections,

and testing required for

complete and working sound

systems.

Project No. MA 2307-TC-

Rebid: Work to include

installation of

telecommunications

structured cabling in the

project areas currently under

construction. This will include

1 new IDF closet, a new rack

in an existing IDF closet, and

additions to existing racks in a

third IDF closet and the MDF.

This will cover Data, Voice,

WAP, and CCTV camera

outlets in the new addition

and some existing spaces

within the building as well as

fiber optic cabling to the new

IDF closet. Also included in

this project will be additions to

the existing PA system and

installing school district

furnished cameras. **The**

Road, Elizabeth, PA 15037,

where they will be stamped

with the date and time

(District office clock used for

determining time). Bids

received after that time will

not be accepted. Bids will be

opened publicly and read

aloud shortly thereafter. Bids

shall be delivered in a sealed

envelope and clearly marked

on the outside with the words:

Bid for Project MA 2307-SS:

Auditorium and

Gymnasium Sound

Systems at EFHS or Bid for

Project MA 2307-TC-Rebid:

Telecommunications and

Low Voltage Systems at

EFHS. Work will commence

on a written Notice to

Proceed (NTP) from the

Owner or Owner's

representative and will be

substantially complete within

396 days and no later than

June 1, 2026. This is part of a

phased construction project

presently underway and the

schedule for work will be

coordinated with that

project. Copies of the Bidding

Documents are available at

McLean Architects where sets

of documents may be

obtained upon payment of \$

35 for a drop-box of the PDF

files. Bidding Documents are
