Kevin had a true talent for music. In his early years, he performed on stage for the CLO and was involved in several choral ensembles. He graduated from Edinboro University, with a degree in Music Education, and later earned his Master's in School Counseling from Indiana University of PA. Turning his passion into a career, he became a music teacher, spreading his love of music to students in many districts in the area and eventually landing at Montour School District.

Kevin loved his two dogs, Pete and Carey. They were his pride and joy and nothing brought a smile to his face quite like his pups. He was proud of his Austrian-German heritage and was a member of the Teutonia Mannerchor Club of Pittsburgh. In his free time, Kevin loved cooking, gardening, hunting and fishing. He was a true outdoorsman. Kevin could often be found at his happy place, Deep Creek Lake, MD. He loved the peacefulness of the sunrise and sunsets off the lake and the enjoyment of boating and water skiing.

He loved his family very much and was fortunate to have friends who he considered family. Kevin lived life to the fullest and all will remember his engaging smile and beautiful voice. He will truly be missed.

The family would like to thank the staff at Good Samaritan Hospice and Beaver Valley Nursing and Rehab for the kindness they showed Kevin during his last days.
