

MICHAEL SAMUEL MALYSZKA

Michael Samuel Malyszka, 84, lately of Wexford, died peacefully Wednesday, March 19, 2025, at Allegheny General Hospital. Michael was born September 19, 1940, in Pittsburgh, a son of the late Stanley and Helen (Jacob). He was husband to patient wife, Helen (Pluchta), who predeceased him; and father to two daughters, Susan (Jeff) Lloyd and Jane (Mike) Praznik. In addition to his parents and wife, he was preceded in death by two brothers, William Bernard ("Bo") Malyszka and Bruce Malyszka. Michael received an Honorable Discharge from the United States Marine Corp. Thereafter, he built and raced stock cars throughout the tri-state area under the surname "Mahan." He retired from many years of service as a mechanic with the United States Postal Service. Michael enjoyed restoring British sports cars, and this was highlighted by his Fiat winning 1st in category at the International Car Show of the Pittsburgh Vintage Grand Prix. He was an avid golfer, hiker and coffee lover. After retirement, Michael and his wife, Helen, appreciated spending their winters in both Florida and Arizona with their dogs. The family would like to thank St. John Specialty Care Center in Mars, PA, for the excellent care they provided him in his last years. Per Michael's request, no service will be held.
