

ALLISON FARRELL BAXTER

We are heartbroken to announce the passing of our beloved Allison Farrell Baxter, who was born on March 17, 1961, in Pittsburgh, PA, United States. She left this world on March 29, 2025, surrounded by her loving family. Allison was the daughter of Mario and Katherine Cocuzzi. She shared her life with her devoted husband, James Baxter, and together they raised three wonderful

children. Her son, Ryan Farrell; daughter, Kristy Boyle; and son, Zachery Farrell; along with their spouses, Monique McNally, Steve Hindman, and Leslie Farrell, will forever cherish the memories they made with their beloved mother. Allison was a loving and doting Nana to her precious grandchildren, who brought immense joy to her life. Allison had a passion for knitting and spent hours creating beautiful pieces that she generously shared with her loved ones. Her talent and creativity brought warmth and comfort to all who were lucky enough to receive one of her handmade gifts. Allison will be remembered for her heart, her love for her family, her unwavering strength and eccentric personality. Her absence leaves a void that cannot be filled, but her memory will live on in the hearts of all who knew and loved her. Rest in peace, dear Allison. You will forever be missed and never forgotten.
