

One True Love

You loved them more
than life

And you called them your
snow white dove

You loved everything about
them

Yes they were your one
true love

But the angels payed them
a visit

And took them to a brand
new home

That beautiful place called
heaven

Where only the good
ones roam

And how you cried yourself
to sleep

Because the love of your life
was gone

And you would never ever
look for another

Because it would never be
the same kind of song
