

The third and final release of country superstar **“Garth Brooks: The Limited Series,”** which follows parts one and two in 1998 and 2005, is a seven-disc boxed set that includes his new studio album **“Time Traveler,”** as well as **“Man Against Machine,”** **“Gunslinger,”** **“Fun”** and the three-disc **“Triple Live.”** It can be purchased for \$29.95 at [basspro.com](http://basspro.com).

Stet

This biography from **Staci Robinson** — who knew the legendary rapper, poet and actor while in high school — comes illustrated with photos, mementos, handwritten poetry and more. **“Tupac Shakur: The Authorized Biography”** (Crown, \$32.55) is available at [bookshop.org](http://bookshop.org).

Crown Publishing

Harper Horizon

This book by Paula Blackman goes back to the Jim Crow '50s to tell the **story of E. Gab Blackman,** a DJ who defied the industry by broadcasting Black music, and William Sousa “Sou” Bridgeforth, a grandson of slaves and Nashville kingpin who ran the New Era Club on the Black side of town. **“Night Train to Nashville”** (Barnes & Noble, \$29.99) is available on [amazon.com](http://amazon.com).

Post-Gazette

Much more economical than Taylor merch is a big-box store **band T-shirt** that you can find for as little as \$12.99. At Target, they come representing artists and bands including the Rolling Stones, AC/DC, Blink-182, Biggie Smalls and even Fleetwood Mac.
